- If you are moving in the middle of a month, rent will be calculated by the day.
- The admin fee (Type A: 44,900 yen, Type B: 83,200 yen) is not refundable when you vacate the room.

The admin fee includes cleaning costs incurred when moving out of the dormitory.

- You will be required to join an insurance program prescribed by MAINICHI COMNET. The annual insurance fee is approximately 10,000 yen.

* In principle, even if you already have fire insurance, you will be required to join an insurance program prescribed by MAINICHI COMNET in the case that the regulations (contents covered and amount of compensation) do not satisfy the criteria.

Example: Approximate amount required at the time of signing the lease

On March 27, if you are moving into a Type A room

Rent (7,241 yen (Rent for March: 5 days' rent calculated by the day) + 44,900 yen (Rent for April prepaid))

+ Admin fee (one-time payment) (44,900 yen) + the fire insurance (10,000 yen).

= 107,041 yen (Approximate amount required at the time of signing the lease)

9. Vacating the Room

- a) You will be required to notify 3 months prior to the day on which you wish to move out if you are canceling the lease before it expires.
- b) At this dormitory, if you are moving out in March, you will be required to move out by March 20. Please keep this in mind if you are moving from our dormitory to a property managed by other real estate agents.

Example:

"I am moving into my new flat on April 1, after graduating, so I would like to move out on March 31" ⇒ You cannot stay at Geishin Dormitory until March 31. We need to be prepared (cleaning etc.) to welcome newly enrolled students. We would ask you to vacate the room by March 20.
