

## The General instructions for the 2017 Student Health Checkup and the results

### <What to bring>

1. **Student ID** (If you haven't received your ID card yet, bring a document that shows your provisional student number)
2. **Health Checkup Questionnaire**
  - New students : A questionnaire sheet will be distributed at the student orientation. Please complete it before coming to the checkup.
  - Current students : A questionnaire sheet can be obtained through either of the following methods
    - A. Download from the website of the health care service center
    - B. Pick up at the health care service center in Ueno or its branch in Toride
    - C. Pick up at Ueno (Educational affairs divisions at the Faculties of Music and Fine Arts), Toride (Notice board in front of Admin. office), or Senju (Admin. office)
3. **Student Health Record** \*A blank record will be distributed to **new students** at the student orientation. Please fill out the space within thick lines before coming to the checkup.  
(Current students: If you have received a previous health examination at TUA, your record can be picked up at the checkup venue. If you have never attended a health examination at TUA, you will receive an empty form to fill in at the venue)
4. **Glasses • Contact lenses** (If you wear them)

### <What you should wear>

- Wear a two-piece outfit (No one-piece or overalls as they are inconvenient for health examination )
- **Wear or bring a plain T-shirt** (Without lamé, prints, embroideries, buttons, metal ornaments, etc.)
- If your hair is shoulder-length or longer, tie it.
- Avoid wearing accessories.

### <Important Notice>

- If you are currently pregnant or there is a possibility that you may be pregnant, do not undergo a chest X-ray.
- If you need special consideration during the checkup, please ask in advance.
