What is the tuition waiver program?

The tuition waiver program exempts, based on examination, students who fall under any of the following criteria from paying full or a 50% of tuition on a semester basis. Students who fall under the criteria of this program may also apply for the tuition payment deferral, which is explained later.

1. Eligibility

- (1) The applicant is identified as having difficulty paying tuition due to financial reasons and has good academic standing.
- (2) The applicant is identified as having extreme difficulty paying tuition because the key income producer of his/her household died or because he/she or the key income producer of his/her household suffered damage caused by wind, flood or other disaster within six months before the tuition payment deadline (in the case of a freshman, within one year before enrollment)¹. However, this criterion doesn't apply to cases where the applicant or his/her spouse is financially independent or a international student and identified as the key income producer of his/her household, even if his/her parents have died.
- (3) ~~Students who have been enrolled for years longer than the shortest course duration cannot apply for the program in principle.~~ Students who are enrolled beyond the shortest course duration due to repeating a year or extending enrollment must see * **2 of the table under 3. Academic Requirements** below.

2. Academic Requirements

- (1) **Undergraduate freshman and Practical Music Course freshman**
 - a. The applicant's average score provided in the registration form is 3.2 or higher.
 - b. The applicant's score of the entrance examination is in the top one third of the applicant's faculty (major).
 - c. The applicant has passed the national university entrance qualification examination.
- (2) **Undergraduate sophomore or above**
The number of credits earned by the applicant by the previous academic year meets the standard number of credits earned in the table below. At the same time, his/her credits with grade A or above account for at least two-fifths of the all credits earned, or his/her academic performance for the year is in the top one third of his/her faculty (major).
- (3) **Practical Music Course sophomore**
Grade of credits earned by the previous academic year is A or above.
- (4) **First year in the Master's or Doctor's Program**
 - a. With regard to credits earned as an undergraduate if the applicant is in the Master's Program or credits earned in the Master's Program if the applicant is in the Doctor's Program, the number of credits with grade A or above accounts for more than two-fifths of the credits earned.
 - b. The score of the entrance examination is in the top one third of the applicant's major.
- (5) **Second year in the Master's or Doctor's Program**
The number of credits earned by the applicant by the previous academic year meets the standard number of credits earned in the table below. At the same time, his/her credits with grade A or above account for at least two-fifths of the all credits earned, or his/her academic performance for the year is in the top one third of his/her major.

Standard number of credits earned (credits earned per year)

Undergraduate (sophomore or above): 30 credits	Master's Program (2nd year or above): 10 credits	Doctor's Program (2nd year or above): 4 credits
--	--	---

* 1 Credits earned from teacher training courses and curator training courses should not be included.

* 2 ~~Students who have earned no credits or very few credits, students who are repeating a year, and students who have been enrolled beyond the shortest course duration (4 years for undergraduate, 2 years for Master's Program and 3 years for Doctor's Program, excluding the period when a leave of absence was taken) are ineligible for tuition waiver in principle. However, students who are identified as having special reasons, such as illness or study abroad, may become eligible for examination with a recommendation letter from their advisers (form M).~~

[Students to whom exception criteria are applicable]

Students who don't meet the academic requirements above but fall under the exception criteria below can be examined based on the exception academic requirements (for details of the requirements, contact the Educational Affairs Section or the Student Support Division).

- a. The applicant's household is a public assistance recipient specified under the Public Assistance Act or recognized as such.
- b. The applicant or his/her household member is disabled.
- c. The applicant's household has member(s) receiving a long-term care.
- d. The applicant is an atomic bomb survivor or a child of an atomic bomb survivor.
- e. The applicant's household is a single-mother or single-father household.

3. Financial Requirements

(1) Calculation for financial requirements

Whether the applicant satisfies financial requirements or not is examined based on the assessed household finances (total income minus necessary expenses, predetermined deductions, and standard income of respective household members). Students to whom the exception criteria are applicable are examined based on more relaxed financial requirements.

For your reference, a list of income limits for model households is provided below.

However, if you fall under 1. Eligibility (2) on page 3, you may be able to receive a waiver even when you do not satisfy the financial requirements. Please consult the section in charge.

(2) Income limits for tuition waiver

We have received many tuition waiver/payment deferral applications from students from households with employment income or income after deduction exceeding the financial requirements (income limits). The requirements vary depending on numbers of household members, types of income, and special circumstances (e.g., single-mother/father family), but the table below provides guidelines for making an application. “Employment income” and “income after deduction” refer to a total of incomes earned by all members sharing household finances.

Please also note that you may not receive a waiver, even if you satisfy the criteria, due to budget constraints.

Income limit guidelines

Course	No. of household members ³	Employment income ¹ (yen)		Income after deduction ² (yen)	
		Home	Non-home	Home	Non-home
Undergraduate	2 persons	5,785,000	6,414,000	3,430,000	3,870,000
	3 persons	5,657,000	6,285,000	3,340,000	3,780,000
	4 persons	6,457,000	6,920,000	3,900,000	4,340,000
Master's Program	2 persons	6,128,000	6,690,000	3,670,000	4,110,000
	3 persons	6,057,000	6,640,000	3,620,000	4,060,000
	4 persons	6,780,000	7,220,000	4,200,000	4,640,000
Doctor's Program	2 persons	7,390,000	7,830,000	4,810,000	5,250,000
	3 persons	7,530,000	7,970,000	4,950,000	5,390,000
	4 persons	8,210,000	8,650,000	5,630,000	6,070,000

¹ “Employment income” refers to employment income before deduction, which appears as the amount of payment in a certificate of tax deducted or as the amount of employment income in a certificate of annual income.

² “Income after deduction” refers to the amount of operating income (amount of income), i.e., sales minus necessary expenses, for final return.

³ In the table above, the number of household members is based on the following assumptions.

Meanwhile, “home” refers to the case where the applicant is commuting from the house of the head of his/her household, and “non-home” refers to the case where the applicant is living in an apartment, dormitory, etc. away from home.

2 persons: Father or mother (key income producer) and the applicant

3 persons: Father (key income producer), mother (full-time homemaker) and the applicant

4 persons: Father (key income producer), mother (full-time homemaker), the applicant and the applicant's brother/sister (public high school student commuting from home)

What is the tuition payment deferral (deferral or monthly installments) program?

The tuition payment deferral program allows, based on examination, students who fall under any of the following criteria to pay tuition by a deferred payment deadline or by monthly installments. It must be noted, however, that even students who receive deferral must pay tuition no later than the specified payment deadline.

1. Eligibility

- (1) The applicant is identified as having difficulty paying tuition by the payment deadline due to financial reasons and has good academic standing.
- (2) Students who have been enrolled for years longer than the shortest course duration cannot apply for the program, in principle. Students who are enrolled beyond the shortest course duration due to repeating a year or extending enrollment must see * 2 of the table under 2. Academic Requirements below.

2. Types of Deferral

- (1) **Deferral:** Payment deadline will be postponed until the end of September for spring semester tuition, or the end of January for fall semester tuition.
For example, there are cases where, as a result of examination, the applicant for tuition waiver receives a 50% waiver and is allowed to pay the outstanding 50% by the deferred payment deadline.
- (2) **Monthly installments:** The applicant is allowed to pay the one-third of the tuition three times.
 - a. Spring semester monthly deadlines: end of July, end of August and end of September
 - b. Fall semester monthly deadlines: end of November, end of December and end of JanuaryFor example, there are cases where, as a result of examination, the applicant for tuition waiver receives a 50% waiver and is allowed to pay the outstanding 50% by monthly installments.

3. Academic Requirements

- (1) **Undergraduate freshman and Practical Music Course freshman**
 - a. The applicant's average score provided in the registration form is 2.5 or higher.
 - b. The applicant's score of the entrance examination is in the top two-thirds of the applicant's faculty (major).
 - c. The applicant has passed the national university entrance qualification examination.
- (2) **Undergraduate sophomore or above**

The number of credits earned by the applicant by the previous academic year meets the standard number of credits earned in the table below. At the same time, his/her credits with grade A or above account for at least one fifth of the all credits earned, or his/her academic performance for the year is in the top two-thirds of his/her faculty (major).
- (3) **Practical Music Course sophomore**

Grade of credits earned by the previous academic year is B or above.
- (4) **First year in the Master's or Doctor's Program**
 - a. With regard to credits earned as an undergraduate if the applicant is in the Master's Program or credits earned in the Master's Program if the applicant is in the Doctor's Program, the number of credits with grade A or above accounts for more than one fifth of the credits earned.
 - b. The score of the entrance examination is in the top two-thirds of the applicant's major.
- (5) **Second year in the Master's or Doctor's Program**

The number of credits earned by the applicant by the previous academic year meets the standard number of credits earned in the table below. At the same time, his/her credits with grade A or above account for at least one fifth of the all credits earned, or his/her academic performance for the year is in the top two-thirds of his/her major.

Standard number of credits earned (credits earned per year)

Undergraduate (sophomore or above): 30 credits	Master's (2nd year or above): 10 credits	Doctoral (2nd year or above): 4 credits

However, students who are identified as having special reasons, such as illness or overseas education, may become eligible for examination with a recommendation letter from their advisers (Form M).

[Students to whom exception criteria are applicable]

Students who don't meet the academic requirements above but fall under the exception criteria below can be examined based on the exception academic requirements (for details of the requirements, contact the Educational Affairs Section or the Student Support Division).

- a. The applicant's household is a public assistance recipient specified under the Public Assistance Act or recognized as such.
- b. The applicant or his/her household member is disabled.
- c. The applicant's household has a member who has been receiving a long-term care.
- d. The applicant is an atomic bomb survivor or a child of an atomic bomb survivor.
- e. The applicant's household is a single-mother or single-father household.

4. Financial Requirements

Whether the applicant satisfies financial requirements or not is examined based on more relaxed financial requirements than those for tuition waiver mentioned earlier.

Selection of students to receive tuition waiver and payment deferral

In the selection process, applicants are comprehensively examined based on the aforementioned academic requirements and financial requirements.

- * 1 Note that all applicants for tuition waiver will not necessarily receive waiver, even if their household finances are difficult and they have good academic standing, due to waiver budget constraints.
It must also be noted that we select students who will receive tuition payment deferral by taking into account the circumstances of all applicants.
- * 2 **Note that your waiver or payment deferral will be canceled if any information in your application is found to be untrue.**

Decision on tuition waiver and payment deferral

Decision on tuition waiver and payment deferral is made late June for Semester 1 or early November for Semester 2, and decision notice is mailed to applicants' guarantors **or yourself, if you are an international student** and displayed on the on-campus bulletin board.

Reminders:

- Do not make tuition payment before decision is made through examination.
Applicants for tuition waiver and payment deferral are given grace to make tuition payment until it is decided whether they can receive waiver/payment deferral. Do not pay tuition before the decision is made.
Tuition payment, whether it is made by mistake or not, cannot be refunded.
Please inform your guarantor (e.g., your parents) of this rule.

Submission of Documents to Certify Financially Independent Applicant

If you seek to be certified as being financially independent, submit the following documents required for certification.

***Who are financially independent?**

Any applicant with a household that does not include his/her parents and the like and meets certain requirements is identified as "financially independent."

Even if the applicant student has his/her spouse or child or even if the applicant is a non-working dependent of his/her spouse, he/she is financially independent as long as he/she meets the requirements.

"Parents and the like" refers to the person(s) who had supported the applicant until he/she became financially independent.

<Requirements for applicants to be certified as financially independent>

Applicants are certified as financially independent if they meet the following requirements:

Undergraduate: Students who enrolled in TUA after working as a member of society or who have a spouse, and also meet all the requirements 1 through 4 below as of the time when they apply for admission fee/tuition waiver/payment deferral

Graduate: Students who meet all the requirements 1 through 4 below as of the time when they apply for admission fee/tuition waiver/payment deferral

1. The applicant is not a dependent of his/her parents and the like (excluding his/her spouse) under the Income Tax Act or in terms of health insurance.
2. The applicant is living apart from his/her (and his/her spouse's) parents and the like.
3. The applicant is not receiving financial assistance from his/her parents and the like (excluding his/her spouse).

If you cannot submit a supporting document, you are regarded as not meeting this requirement.
