※Regarding the applied art work, it is the responsibility of the applicant himself to handle rights of copyright and copyright moral rights including the case that permission for image publication has not been obtained at the present stage because the copyright owner is unknown. I affirm to do this on my own responsibility and my own expenses.

In the event of a dispute arising from infringement of a third party's right, I will process and resolve it at the applicant's responsibility and cost, and guarantee that no inconvenience will occur to The University Art Museum, Tokyo University of the Arts.
