5. How to apply

By appointment via internet only

Apply online at <https://coubic.com/geidai-flu/>

* Your appointment is confirmed only when you receive a reply mail from the center a few days later.

Make sure that you receive our reply mail to secure your appointment.

*Cancellation must be made via internet as well.

In case you can't cancel appointment online, call or visit the center in person the appointment date at the latest.

*Online booking/cancellation becomes unavailable after the application period has ended.

6. What to bring to your appointment

• A pre-vaccination screening questionnaire * Download from our website, complete and bring to your appointment.

If you are a minor under the age 20, your parent/guardian's signature is needed for you to receive a vaccine.

• Fee :2000yen (exact amount only)

7. Please remember

• If it is your first flu vaccination, you are asked to stay at the center for 30 minutes after the vaccination.

It is to confirm that allergic reactions do not occur.

• Occasionally your appointment may be delayed because physicians have been called to deal with an urgent case.

(We will contact you to advise if appointment needs rescheduling)

• General medical services are not provided during the hours of the flu vaccinations.
